Guarantor responsibility: Payment for all professional services rendered is the responsibility of the patient, parent, or guardian. When the patient has insurance that is reasonably expected to contribute toward payment for services, Orion Behavioral Health Network will assist in the preparation and submission of insurance claims. However, the Guarantor is responsible for all fees regardless of insurance coverage. Payment for all services, is due when services are rendered. Payment of coinsurance and deductible is done based on reasonable estimate. If additional funds are required after the insurance claim has been processed, any balance will be billed to the Guarantor. If the insurance company fails to process claims within 45 days from the date of service, the balance due may be collected from the Guarantor. If insurance issues arise, it is the responsibility of the Guarantor to contact the insurance company, group plan administrator, or employer representative for resolution. A patient's insurance policy is a contract between the patient and the insurance carrier.
